#### Game Scene Selection

#### Available Finishes

- Worn leather look microfiber interior covering

### 1200° F/120 min. Standard Fire Protection

- 1200° F/120 min. fire protection
- Five layers of 1/2" fire-resistant insulation in the body
- Four layers of 1/2" fire-resistant insulation in the door
- Premium 3-in-1 Palusol® fire seal for added fire protection

**Fire/Security Rating** - The "F" indicates fire protection and the numbers mean better protection.

NOTE: The Browning Scroll is standard on Platinum Plus Safes. Scenes are bonded to the surface of the safe with an exclusive process and can only be applied at the factory. Scenes are not available on Sand Metallic colored safes. Black Cherry and Silver Metallic finish safes feature silver/chrome handle, dial ring and graphics. The handle, dial ring and graphics for all other finish colors are gold-colored.

The gun safe images, photographs, etc. shown do not necessarily represent the product in its entirety. They are shown for examples only.
