*MagnaVault* TL-30

U.L. Listed TL-30

1.5 hour/350° Fire Label

The MagnaVault TL-30 series are our top of the line fire & burglary safes that mix the impressive Hayman Quality with unbreakable security. Featuring 2 inch thick bolts and a massive six inch thick door packed with security features enough to keep out even the most determined thief, you can be sure the MagnaVault TL-30 safes will protect your valuables.

The most common uses of our MagnaVault TL-30 safes are to protect jewelry, large amounts of cash and high value items (sometimes collectibles) with a safe that meets the standards required for insuring your valuables.

## Features
