This is a California-approved firearms safety device that meets the requirements of [California Penal Code Section 12088](#) and the regulations issued thereunder.

Standard Features

- Five button mechanical lock for quick access with 1081 possible combinations.
- Top opening security case with classic slim design.
- 3/8" thick steel lock block welded to cover guides and adds strength to the lock bolt.
- Prepunched holes for easy installation.
- Lock bolts directly through the inner frame of case to prevent prying.
- Foam lining on top and bottom protects and holds contents securely in place.
- Sturdy fabricated steel construction with pry resistant clamshell design.
- Available in textured semi-gloss black powder coated finish.
- Continuous hinge is welded on one end to prevent pin removal.
- Accented with gold tone pinstripe and logo design. Custom logos and colors are available upon request.
- Model 2912-S can be mounted directly to any surface or attached with the optional Mounting Bracket for easy portability.

Quick Release Mounting Bracket

Model: MB2912

Outer Dim: 10"x 7"

Ship Wt. 2 lbs.

Optional Accessory

- Works with models 2912, and 3912.
- Mounting Bracket allows your Top Draw Case to be transported.
- Lock tabs and thumb screws allow easy transfers, no tools are necessary to transfer case between brackets.
- Prepunched holes enable the case to be installed directly to most surfaces.
- For optimum security V-Line Ind. highly recommends all Security Cases be properly installed.
- Recommended installation hardware: 4 each ¼" x 1" - 1½" lag bolts and 4 each ¼" flat washers (not included).
